NEW MAGAZINE: Kitchens & Bathrooms!

Montreal, October 22, 2009 – TVA Publications is proud to publish a new magazine from the team that produces *Les idées de ma maison*: **Kitchens & Bathrooms**.

Kitchens & Bathrooms is the English version of *Cuisines de rêve*. This annual magazine is much sought after for its designs, makeovers, buyer's guides, and tips from the experts. It is the perfect magazine for those who want to update rooms with the latest trends and new products.

What's new in 2009?

- The blending of textures;
- Exotic wood varieties such as zebrawood or bamboo;
- Quartz: the new granite for countertops;
- Eco friendliness: a concern which is at the forefront in designers' minds;
- Colours, colours, colours!
- High technology for high efficiency in the kitchen: warming drawers, convection ovens and filtering faucets.

If you want to see different styles and have lots of ideas to renovate your kitchen or your bathroom, this new magazine is a must for you!
